	VEX340	2250	400	External Post heating coil*	13.0		1.8		450	1803	1765	946	ø400	EXact	H		3003508
	VEX350	3800	700		10.5	2.9	639	1904	2632	945	500 x 800	EXact	H	3003923			
	VEX360	5400	1100		18.0	5.0	714	1904	2932	945	500 x 800	EXact	H				

* Water or electrical heating coil

** H = Horizontal, V = Vertical, C = Ceiling

■ Incl. Pre-heating and comfort heating

■ Are supplied as units that need to be disassembled. The three modules can be moved through openings < 900 mm

VEX140 Horizontal

VEX150 Vertical

VEX240 Horizontal

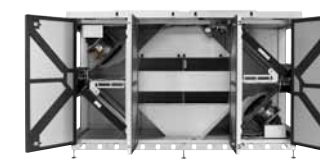

VEX260 (3 modules)

VEX320 Ceiling

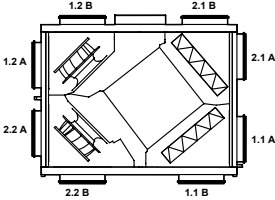

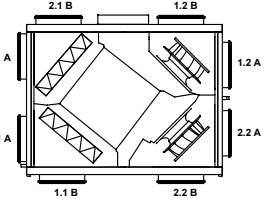

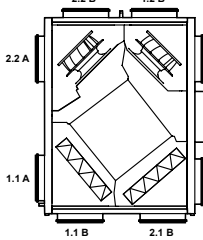

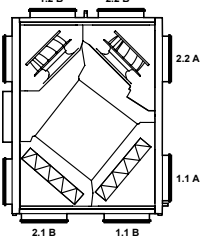

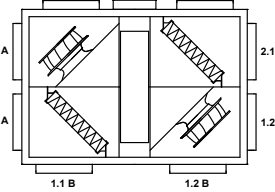

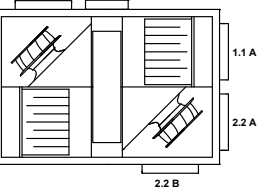

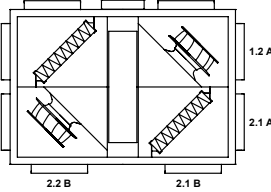

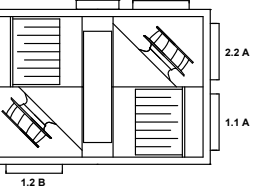

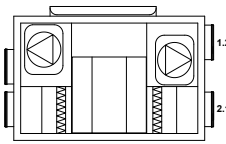

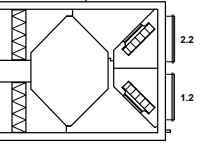

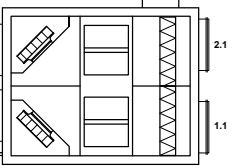

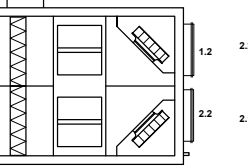

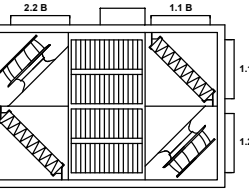

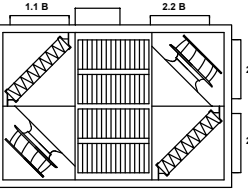

VEX340

VEX360 (3 modules)

EXHAUSTO - Compact air handling units with heat recovery

Exchanger type	MODEL VARIANTS AND CHOICE OF SPIGOT POSITIONING											
 <p>VEX100 RANGE CROSS FLOW HEAT EXCHANGER</p>	<p>VEX100 - Horizontal/Ceiling LEFT</p>  <p>VEX100 - Horizontal/Ceiling RIGHT</p> 		<p>VEX100 - Vertical LEFT</p> 		<p>VEX100 - Vertical RIGHT</p> 		<p>Guaranteed air quality VDI 6022 All units in the EXHAUSTO range, have been independently changed in accordance with the German standard VDI 6022.</p> <p>VDI 6022 is a rigorous standard that ensures products can be cleaned and maintained as effectively as possible. This ensures the quality of air passing through the unit is not compromised.</p> 					
 <p>VEX200 RANGE ROTARY HEAT EXCHANGER</p>	<p>VEX200 - Compact filter Fan position 1 - Direction L</p> 		<p>VEX200 - Bag filter Fan position 1 - Direction R</p> 		<p>VEX200 - Compact filter Fan position 2 - Direction L</p> 		<p>VEX200 - Bag filter Fan position 2 - Direction R</p> 		<p>Find more information about our products at www.exhausto-ventilation.co.uk</p> 			
 <p>VEX300 RANGE COUNTER FLOW HEAT EXCHANGER</p>	<p>VEX320/330 Ceiling</p> 		<p>VEX330 Horizontal *</p> 		<p>VEX340 LEFT</p> 		<p>VEX340 RIGHT</p> 		<p>VEX350/360 LEFT</p> 		<p>VEX350/360 RIGHT</p> 	

* VEX330 horizontal can be serviced from the front or from the back - in this way the unit can be used as LEFT or RIGHT version!

Water heating coil

Electrical heating coil

Cooling coils uninsulated

Cooling coils insulated
